

## Development Sub-committee Remit & Members

The Development sub-committee exercises a substantial role in club affairs:

- to oversee all matters concerning club development within the club. This sub-committee has devised and will continue to monitor the current Club Development Plan 2009-2013 entitled *Looking forward to another century of achievement*.
- Means of raising funds features strongly in this sub-committee's duties. Development will work in tandem with the Finance sub-committee on this crucial area of responsibility.
- Governance structures and processes
- Definition of and education in specific roles in club affairs
- Reviewing and updating policies and other important documents
- Coordination of *Club Maith* application and monitoring all relevant procedures thereafter should the application be successful.
- Ensuring that all officers other than coaches receive Access NI clearance
