

## Facilities Sub-committee Remit & Members

**Our collective function/role in the club (what we do, what contribution we make as a subcommittee to the general running and welfare of our Club)**

**Please list: Our main aim is to make sure the clubroom is kept clean and tidy. Cleaning duties take place on a weekly basis. Names of the people included in these duties are on a rota which is on display in the pavilion. For health and safety reasons it is vital that the premises are well kept. Also as facilities committee, we provide and prepare food for senior training, visiting teams and any underage competitions which are held in the football field.**
